

Visitor Agreement

All adults who are coming into Therapy Wood as occasional visitors to deliver sessions or work with young people **MUST** be prepared to adhere to Therapy Wood safeguarding requirements and agree to work within our ethos, as stated below.

We ask that you read the following statements and sign below to confirm your agreement.

Our Ethos

By entering this space, you agree to uphold our three core values:

- **Respect for the Living:** We approach our horses, goats, and woodland trails with kindness and patience, honoring the rhythm of the natural world.
- **Safety as a Foundation:** We maintain a secure and supervised environment so that every child feels safe enough to take brave steps forward.
- **Focus on the Journey:** We celebrate progress in all its forms—valuing the process of 'doing' and 'being' just as much as the end result.

- I understand Therapy Wood's ethos and agree to work within it.
- I will provide ID evidence and understand that Therapy Wood may request additional information in order to confirm my suitability to work with young people at Therapy Wood.
- I will sign in.
- I will report any incidents of concern regarding children's safety to the Designated Safeguarding Lead or Therapy Wood.
- I will ensure that personal data is stored securely and is used appropriately, whether in Therapy Wood, taken off the premises or accessed remotely.
